ITDA Adventure Diver

The next step from Resort Diver or Entry Level Training (From any Agency)... This unique ITDA Program has been designed to offer Scuba divers with minimal experience a safe route to an intermediate advanced level...

The program is from just two days and includes:

- 4 Specialist Dives
- 2 Core Programs (Buoyancy & Navigation)
- 2 Elective Dives (You choose from...)
 - Night Diving – Wreck – Reef Eco Diver
 - Basic Nitrox or UW Photography

This is all that is required for Certification at this level...

You may also add more training with:

- Oxygen First Aid
- Equipment Specialist
- Advanced Rescue
- Dive Medic

ITDA Training solutions that work for you.
